STATEMENT

1. By signing this Statement, the Author acknowledges that he/she is familiar with the procedure and terms of publication in the Journal and accepts them in their entirety. The Author specifically acknowledges that he/she is aware that all the content of the Journal is available in open access under the Creative Commons Attribution–NoDerivatives (CC BY-ND) licence (this licence allows for redistribution, commercial and non-commercial, as long as the work is passed along unchanged and in whole, with credit given to the authors). The full-text materials can be downloaded and redistributed, with due regard to attribution by giving appropriate credit to the authors and the Publisher, and by providing references according to the customary rules of citation. The materials may not be modified, transformed, or built upon.

2. The Author hereby agrees to grant the Journal the right to publish the Paper in print and electronic form and to distribute the Paper in open access under the Creative Commons Attribution–NoDerivatives (CC BY-ND) licence. The Author acknowledges and accepts that this licence granted to the public is worldwide, royalty-free, non-exclusive and irrevocable with respect to copies already made or rights already exercised under the licence.

3. The Author permanently waives the right to claim payment of royalties for copyright and/or related rights for the use of the Paper by the Publisher and/or by third parties to whom the Publisher transfers the right to use the published Paper, including use made under the Creative Commons Attribution–NoDerivatives (CC BY-ND) licence.

4. The Author warrants that the Paper and the substance of its data have not been previously published in print or online. The Author further warrants that the Paper is not currently under consideration for publication elsewhere.

5. After publication in the Journal, the Author may not submit or publish the Paper in another journal or elsewhere in a manner that would conflict with the publishing agreement with the Publisher; however, this contractual obligation of the Author does not limit or restrict any rights of third parties to use the Paper as permitted under the Creative Commons Attribution–NoDerivatives (CC BY-ND) licence.

6. The Author accepts that, for the purposes of publication and dissemination, the Publisher acquires the necessary rights in the printed and electronic versions of the Paper and that the Publisher will grant the public a perpetual, worldwide, royalty-free, non-exclusive licence to use the Paper under the Creative Commons Attribution–NoDerivatives (CC BY-ND) licence. Nothing in this Statement shall be interpreted as limiting or revoking any rights granted to the public under the terms of the Creative Commons Attribution–NoDerivatives (CC BY-ND) licence.

7. The Author warrants that the Paper is original and that he/she has full power and authority to grant the rights hereunder.

8. The Author specifically acknowledges that he/she is aware of the Journal's generative AI use statement published on the Journal's website and that the Paper is compliant with that statement.

9. The Author warrants on his/her own behalf and on behalf of all other co-authors that all the facts contained in the Paper are true and accurate to the best of their knowledge.

10. The Author confirms that this Statement is irrevocable, without prejudice to the Author's moral rights and without prejudice to the irrevocable nature of the Creative Commons Attribution–NoDerivatives (CC BY-ND) licence with respect to rights already granted to the public.

This Statement is subject to Croatian law and jurisdiction.
